

FAASTeam CFI Workshop; Module 4

At this workshop we'll cover Flight Instruction Requirements of the Transportation Safety Administration, Security-Related Special Use Airspace and Training/Instructional Procedures used by the Civil Air Patrol. This is the 4th meeting in the series you can use to renew your CFI certificate. All instructors are invited. Thanks to WNC Aviation for the classroom and providing the pizzas!

Directions: Enter General Aviation entrance to Asheville Airport. Park on left side of entrance past the trees. Lacy Griffin Building is diagonally to the right across the street. WNC Aviation Class Room.

A message from the National FAASTeam Manager

Over 136,600 pilots earned WINGS credits last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!
